## Education

### MACALESTER COLLEGE

Bachelor of Arts in Statistics, Minor: Computer Science. GPA: 4.00

Honors: Academic All-MIAC, Dean's List x6, Wallace Distinguished Merit Scholar

Relevant Coursework: Projects in Data Science, Machine Learning, Correlated Data, Data Structures, Algorithms, OOP

Saint Paul, MN

May 2023

## Experience

3M

### Global FP&A Intern

Saint Paul, MN (hybrid)

May 2022 – August 2022

- Built a Power BI tool to calculate and forecast the company's current and future asset depreciation schedule.
- Standardized and cleaned millions of rows of global data into a consistent format for analysis.
- Improved accuracy by utilizing exact depreciation schedules of assets, rather than only using historical trends.
- Collaborated cross-functionally with multiple teams and individuals globally to complete the project successfully.

3M

### Data Analytics Intern: Internal Audit

Saint Paul, MN (remote)

June 2021 – August 2021

- Developed a Power BI tool to monitor and identify anomalies for 12 financial ratios across all 3M entities.
- Gathered and analyzed millions of rows of data to create meaningful insights for the audit team.
- Managed an original project from start to finish in a corporate environment.

### MACALESTER COLLEGE ATHLETICS

#### Building Supervisor

Saint Paul, MN

September 2020 – Present

- Oversee the athletic assistants (student workers) to ensure duties are completed correctly.
- Maintain safe and secure facilities by conducting building rounds and locking the building during closing shifts.
- Set up building spaces for reservations and events accurately and on time.

## Leadership & Activities

### MACALESTER VARSITY SOCCER

#### Goalkeeper

Saint Paul, MN

August 2019 – Present

- Commit ~20 hours per week year-round to practicing, lifting, competing, and traveling while simultaneously maintaining a full course load and high academic achievement.

### STUDENT ATHLETE ADVISORY COMMITTEE

#### Team Representative

Saint Paul, MN

January 2022 – September 2022

- Attended meetings and verbalized team interests to the board, and reported back on updates, news, and events.

### DEI COMMITTEE

#### Leadership Board

Saint Paul, MN

June 2020 – June 2021

- Organized recurring meetings, planned community engagement events, and chaired 1 of the 3 sub-committees.
